Skyloft Enterprises, Inc.

In October of 1999, the company founder left 3Com Corporation to start a Value Added Reseller (VAR) under the name of MTMnet, Inc. which focused on the sale of new and used (Refurbished) networking products from vendors such as 3Com, Extreme Networks and Cisco with a primary focus on 3Com NBX VoIP Phone Systems and website sales.

The assets of the company (MTMnet, Inc.) were sold in April of 2009 to Ginn Telecom Corporation, (dba MTMnet). To eliminate any confusion, between the two companies, MTMnet, Inc.'s name was changed to [Skyloft Enterprises, Inc.](#) with a new mission to manage and run a host of dba companies mentioned below.

[AutoConsignmentOfSanDiego.com](#)

Established in March of 2010, [AutoConsignmentSD.com](#) was created to provide a service for private party car sellers that removes the headache and hassles of selling automobiles. Please do not expect the low blue book value when trading in your car at the dealership and let Auto Consignment of San Diego sell your car at the private party value for typically thousands of dollars more than the trade-in value. We also provide auto consulting services to assist customers with figuring out what car would best suite their needs and budget and we have access to the nation wide list of auto auctions which makes it easy to find their automobile and great prices.

[EV Car Club of America](#)

Established in June of 2019, [EVcca.com](#) was created to cultivate and promote passion for electric vehicles and clean energy. The organization will inspire "enthusiasm" and camaraderi among the EV owners via social gatherings, website message boards/forums, technology events, driving events and a quarterly magazine called [GIGAWATT](#)

[Skyloft Networks](#)

Established in July of 2010, [SkyloftNetworks](#) is provides maintenance, support and hardware for IT Networks, Wireless Nurse Call Systems and Cellular Coverage projects.
